

Press Release

Date: 08 May 2008

Specialist commercial property law firm, Bell & Scott is delighted to announce the promotion of Neil Fraser to Associate in their Strategic Land Team.

Neil trained at Bell & Scott and on qualification joined their strategic land team to specialise in long term land acquisition and development projects working for some of the firms key clients.

Paul Jennings, Managing Partner elect, said "This is great example of our commitment to developing and investing in people. Our Strategic Land Team has an excellent reputation in the industry for resolving complex issues to maximise on development opportunities. Neil is a real asset to the team and his promotion is a deserved acknowledgement of his achievements."

Editor's Notes:

About Bell & Scott

Bell & Scott is Scotland's first specialist commercial property law firm, providing high quality legal services to the property industry and those working within it. Bell & Scott's integrated property service is provided by industry focussed teams bringing individual talents together in the most efficient way. Highly responsive to the fast-changing requirements of property projects, the firm covers everything from advising clients on major city centre developments to conveyancing on individual housebuilding plots. Clients include developers, funders, investors, occupiers and some of the UK's best-known retailers and leisure operators. As a dynamic leader in commercial property law, the firm provides a daily sector knowledge update, a range of focused seminars and a monthly update on new property legislation.
